Financial Policy

Our practice will bill most dental insurance companies as a service to our patients, providing we have the correct information. Most insurance companies issue payments to us within 30 days. You must contact your insurance company to investigate delay of insurance payments. The coverage you have is between you and your insurance company. We are not responsible for what they will or will not cover.

If Your Dental Insurance sends the payment to our office: Our office will submit the claim for you, process the insurance payment and bill you if there is a difference. The difference will be due in full.

If Your Dental Insurance sends the payment to YOU: Payment is due the date of service. Our office will submit the claim for you and the insurance company will send you the payment.

No Insurance: Full payment will be expected at the date of service.

We accept cash, checks, all major credit cards and CARECREDIT

WE WILL BE UNABLE TO OFFER ADDITIONAL SERVICES UNTIL ALL PREVIOUS BALANCES HAVE BEEN CLEARED. If, in the event, this account is in collections for non payment, all collection costs & expenses will be paid by the account holder.
